CHRISTIAN MINISTRIES

JANUARY 2024 MEDICAL MISSION TRIP

Matthew 9:35–38 *Jesus was going through all the cities and villages, teaching in their synagogues and proclaiming the gospel of the kingdom, and healing every kind of disease and every kind of sickness. Seeing the people, He felt compassion for them, because they were distressed and dispirited like sheep without a shepherd. Then He said to His disciples, “The harvest is plentiful, but the workers are few. Therefore beseech the Lord of the harvest to send out workers into His harvest.”* Cambodia Christian ministries is committed to imitate Jesus Christ in His mission. We blessed many people physically and spiritually on our major medical mission trip in January 2024.

Every year Sokhom comes up with something new, crazy and spectacular. This year was no exception as we were invited to bring our team of **50 medical and spiritual workers** onto a military base near the Thailand border. Soldiers and their families received free medical treatment and local village people were granted permission to come on the base to receive medical help and attend Bible classes. The general said we were the first Christian group on the base and he invited us to return in the future.

MEDICAL MISSION

Our medical team provided **12,646 patient treatments**. It looks like a fabricated number but we work from sunup to sundown thanks to taskmaster Sokhom.

- ♦ Medical exams
- ♦ Tooth extractions

- ♦ Eyeglasses
- ♦ Prescriptions

Besides obtaining permits from the government to the various villages, making sure all 50 workers have food and hotel accommodations, ordering the proper medicine for thousands of patients, our three CCM doctors (Tola, Da, and Sela) also managed the pharmacy. Hundreds of people waited all day to receive medical help.

SPIRITUAL MISSION

Besides teaching and preaching, on Sundays our Bible teachers conducted 11 days of LeaderCare seminars with approximately **150 students per class**. The classes consisted of village house church leaders/preachers, newer believers, and Buddhists searching for God. Our Bible teachers helped increase the peoples' Bible knowledge on important subjects and **57 precious souls were also baptized into Christ!** By God's grace, they received Jesus into their hearts, forgiveness of sins, and the gift of Holy Spirit!

As adults received teachings from the word of God, village children learned about Jesus from Chuon, Emily Moreno and even Dr. Jo Lene since she was not seeing patients on Sunday.

Ron Thrift preaches to over 200 people to kick off our LeaderCare seminar at CCM during the last couple of days of the trip.

Sokhom, Mark Banks and Mike Meierhofer taught hundreds of people about the Deity of Christ, His death and resurrection, the Lord's Supper, and answered many great questions from the students.

Below: The trip ended with an exciting two-day seminar at CCM with over 200 people.

CAMBODIA CHRISTIAN SCHOOL/ORPHANAGE

With the help of compassionate Christians we were able to purchase additional land to ensure we have adequate space for 200-250 children in our future Christian School/Orphanage. Sokhom, Randall Dyess, Jeff Meierhofer and Brad Straley continue researching and investigating the best location and right building sizes before we break ground in the next several months. Please be praying for God to provide sponsors for these precious orphans and other disadvantaged children once we have the facility suitable for housing and educating the children.

We thank the Lord for your faithful participation with Cambodia Christian Ministries. Please contact Mike or Sokhom to find out how you can help with this great work of the Lord.
